Proceeds benefit the Washington Ireland Program (WIP), a 501(c)(3) organization. For the past 20 years, WIP has made a unique and vital contribution to peace and reconciliation efforts in Northern Ireland and Ireland. Identifying young people with a commitment to service and a track record of leadership, WIP builds their skills through work placement, educational opportunity and hands-on citizenship both at home and in the US. Through these efforts, WIP is developing and engaging generations of leaders that will work to achieve a peaceful, shared and prosperous future for Northern Ireland and Ireland.
